Article 13 – Medical Service

Medical care shall be administered by an adequate number of Doctors and Paramedics designated by the Race Management, during the race as well as before the race and after the last rider has crossed the finish line. If need be, Doctors are the sole persons responsible for transporting riders to the hospitals listed in the Technical Guide.

In case of any major treatment or treatment on hill-climbs, the Race Doctors shall stop to administer the treatment.

Article 14 – General Provisions

Only persons identified upon collection of the identification badge by the owner of the authorized vehicle are entitled to follow the race. Possible changes or additions shall be notified to the Organization Director. The drivers of credited cars and motorcycles shall comply with the Rules of the Road, and shall circulate in accordance with the provisions set forth in the “Guidelines for vehicle circulation in the race convoy” (UCI publication, Feb. 2017). They shall, moreover, abide by the instructions received by the Organization Director and by his Officials. All the drivers/motorcyclists must hold a UCI license and certification, and all vehicles must be provided with a Radio-Tour receiver. Persons who are not recognized as having roles acknowledged by the organizers and services-related functions, as well as under-age persons, are not allowed to follow the race.

The Organization shall not be held liable in any way whatsoever for damages arising from accidents occurred prior, during or after the race, depending from actions not ascribable to the same organization, to persons in general, even if unrelated with the race.

For all that is not regulated under this ruling, the UCI, FCI and LCP regulations shall apply.

Article 15 – Environment Protection

The Organization commits itself to protecting the environment by providing dedicated containers for waste separation in hospitality areas at both the start and finish. In addition to providing “Green Areas”, as set forth in article 7, right after the race has passed, the Organization will deploy appropriate staff to collect any objects or waste attributable to the race. Besides actively engaging in environment protection, the Organization also invites all the people involved in the event to behave respectfully toward the areas concerned.
