The Watersley ladies challenge 2.Nationscup 2019 to be held on Friday September 13, Saturday 14th and Sunday 15th by; Stichting Watersley Topsports (before: Stichting Offroad Cycling Sittard-Geleen) in cooperation with Tom Dumoulin Bike Park hereinafter referred to as "the organization".

The Race will be contested under the auspices and in accordance with the regulations, decisions and annual detailed rules and instructions of the UCI and KNWU. The race is categorized as a 2.Nations' Cup. The organization is the holder of the race license from the UCI and KNWU and permits and exemptions from the government. This license, permits and waivers are available for inspection by the secretary of the organization.

Art. 2 PARTICIPATION

UCI-rule 2.14.050

The race can be attended by international, national, district, club teams and associations. A participating team should consist of minimum 4 and maximum 5 riders belonging to the category: JUNIOR WOMEN.

Participants are deemed to be aware of:

- During all Stages a transponder will be mandatory
- Foreign participants will receive transponders from the organization after the inscription and they have to sign for receiving. (authorization form)

Furthermore, we don't want to start with all 150 riders on Sunday. Both because of the width of the course and because of the fact that it doesn't make sense some riders have to leave the race within half an hour. We only want the first 100 riders of each stage, and the first 100 of the general classification to start. This will be around 120 riders in total.

We organize a separate competition for the other riders via the KNWU.

The route will be indicated by arrows with the correct category.

The riders must at all times follow the official route as mentioned in the roadmap. A rider has doesn't complete the official route is not eligible for the prizes for the stage and will be disqualified for the stage, unless they can provide compelling arguments that are accepted by the commissaires. The organization will inform the commissaires and team leaders if a route change occurs.

During the inscription valid 2019 licenses must be shown to the organization and the UCI / KNWU designated commissaires before the race numbers and transponders will be handed out. The team leaders / soigneurs / mechanics should also be in possession of a valid license for the year 2019.
